### Code of Conduct

#### Values

Members of Swanscombe Tigers Football Club subscribe to the following values

We believe in the many positive benefits which participation in organised football can produce for young people. Amongst these are:

- Physical health and fitness
- Self-discipline
- Loyalty and commitment
- Sportsmanship
- Ability to appreciate and enjoy the success of fellow team members
- Shared sense of purpose and endeavour

It is understood that Football, even for children and young people, is a sport capable of arousing strong emotions. This is part of its enduring attraction. However, this places a powerful responsibility on all those involved.

Swanscombe Tigers FC supports the initiatives of the Football Association, in particular its 'Zero tolerance' and "Kick Racism out of Football" and "Respect" campaigns. Racial abuse of any nature will not be tolerated. Full details of the "Respect" campaign are available on the FA website at <https://www.EnglandFootball.com/participate/explore/inclusive-football/Respect>

To ensure that Swanscombe Tigers Football Club becomes recognised for promoting the most positive values, everyone associated with the Club is requested to adhere to the following Code of Conduct at <https://www.EnglandFootball.com/participate/explore/inclusive-football/Respect>
